## FOREWORD

I am extremely delighted that the Directorate of Export Promotion & Marketing has taken the initiative to publish the 7th edition of the "Directory of Exporters of Orissa". The information collected from the Commercial Banks, Dealers of Foreign Exchange, Paradeep Port Trust, Joint Director General of Foreign Trade, Export Promotion & Coordination Cell, ECGC, RBI, STPI, Development Commissioner, Falta SEZ and other relevant sources and compiled in the Directory will definitely help the entrepreneurs, exporters, importers, academicians, researchers and others to gain knowledge about Orissa's exporters and exports.

Orissa is a rich treasure house of natural resources having a tremendous potential for value addition and exports. Recognizing Orissa's industrial potential many internationally reputed investors have already preferred Orissa as their investment destination. With these investments, Orissa holds the bright prospects of becoming a front-runner in exports in the near future. The recently notified Orissa Industrial Policy' 2007 has declared export promotion as a priority activity of the Government. The Directorate of Export Promotion & Marketing has published this Directory at the most opportune moment when Orissa is going through a mammoth process of industrialization.

It is heartening to note that Orissa's total exports has risen to the level of Rs. 10743 crore during 2005-06. This is definitely an outstanding achievement by the exporters of Orissa, poised against stiff international competition. I congratulate the exporters of Orissa for this outstanding achievement.
