

# 5<sup>th</sup> FOOD & TECHNOLOGY EXPO - 2009

7 - 8 - 9 August, 2009  
Hall 7 A B C & E Pragati Maidan, New Delhi, India

**Food & Technology Expo 2009** is a 3 day international exhibition showcasing diverse range of innovative and consumer driven products from all over the world. **This 5th Edition of Food & Technology expo will display the advancements in Horticulture and Agrifood Business in terms of market knowledge, technology and recent developments in the processing, packaging and milling of foods.** At the expo, special emphasis will be given to Horticulture/organic/agriculture sector and its vast potentials.

The Food Processing Industry sector in India is one of the largest in terms of production, consumption, export and growth prospects. The Food and Technology Expo - 2009 will offer an ideal platform for agro based industries, progressive farmers, food processing sector, related technologies & service providers, consumers and government departments to present and discuss their recent innovations in food sector.

**A unique opportunity to meet senior buyers & decision makers from all facets of the user industry**  
**An effective B2B platform with opportunities for international and local players in the food processing sector**
