

International hortiE 2009

Exhibition, Conference, Buyer-Seller Meet

8,9,10 May
2009

Projecting India's Farm Power Combining Quality & Safety

The biggest event of its kind -- a world of opportunities, business contacts and market expansion

South Asia's Largest Exhibition on Horticulture, Food & Technology

2nd International Horticulture Expo 2009 (Grand 9 in1) is recognized as the largest Horticulture, Food & Technology Exhibition in South Asia. It is an ideal platform which brings both exhibitors and visitors together under one roof. It will offer a unique opportunity to the entire horticulture & food sector, right from producers to retailers, to come together and transact most important business, i.e. direct business. Farmers will be looking for new products, services or partnerships through this expo.

Organized by Media Today Private Limited from 8-10 May,09 in New Delhi, India, International Horticulture Expo 2009 will also include six most important aspects of horticulture business, namely, **India Organic Expo, India GAP Expo, Food Retailing Expo, Processing & Packaging Expo, Cold Chain & Logistics Expo & Medi-Herbal Expo** -all under one banner.
